MANCHESTER TEAM

Will Try Their Skill at Defeating the
Maysville Basketball Team To-
night in the High School
Auditorium.

The second game of the basketball
season of the Maysville High School
will be held tonight in the auditorium
of that school when the fast Manches-
ter team will endeavor to down the
local boys. The Maysville boys were
victorious in their first game and feel
that they can follow suit in their sec-
ond.

Since the victory of last Friday
night the team has been receiving
daily drill in signals and in throwing
goals, making them perhaps stronger
than before. Beginning with this
month eligibility rules will be put in

force which compels every member
of the team play in a contest
game with another school to have a
passing grade in all except one sub-
ject. This will cause those desiring
to become members of the team bet-
ter students and to not devote all of
their time to athletics.

The probable line-up for Manches-
ter for the game tonight will be as
follows: Right forward, Denning;
Left forward, Brittingham; Center,
Bellair, Pennywit; Left guard, Cole;
Right guard, Coleman. Maysville's
line-up has not been officially an-
nounced but will probably be the
following: Right forward, Smoot;
Left forward, Everett; Center, Wood;
Right guard, Dowling or Parker; Left
guard, Brown or Bowman. Both of
these line-ups are subject to change
however, neither of them having been
announced officially. The game will
begin at 7:30 o'clock.

THANKSGIVING.

A day of gratefulness for the favors and for-
fortune and opportunities of the year. The one
day we should observe as thoughtfully as those
who gave thanks three hundred years ago.

We are thankful for the continued patron-
age of our many friends and for the possible op-
portunities to be of service to them during the
coming year, through the medium of our high-
class merchandise.

Gratefully yours,

D. Hechinger & Co.

**WHAT A \$25 SUIT
MEANS AT HUNT'S**

We sell suits both higher and lower than \$25, but that seems an especially popular price for suits in this vicinity. How-
ever, even if you desire to spend more for a suit we will be glad to have you form your opinion of our stock by our \$25
values, because it is our experience, that many women accustomed to spend more for a suit elsewhere, have found all the style
and quality satisfaction they desire in our \$25 garments. This season's models are especially notable for style-variations
and the colors and fabrics are equally well assorted.

BLACK SILKS

Worn by debutants, young matrons and women of mature years, for all occasions, even the most formal. Fashion has
set no limit on the use of Black Silks, contenting herself merely to sanction their use, and leaving it to women's inclination
whether the entire costume is to be in black or relieved by one of the many pretty winter shades.

Our weaves are taffeta, peau de soie, satin, charmeuse, flit, bengaline and crepe de chine. Our prices are \$1 to \$2.50.

"Why are you thankful, little John?"

Said Jonn, in accents jerky;

"I'm very thankful, sir," he said,

"Because I'm not a turkey."

We are thankful too at this season that we are not turkeys, but we are
thankful for many other things, so many that we could not begin to crowd
our gratitude into one day. So we try to make every day a Thanksgiving
day and we wish all our friends may find reason for Thanksgiving also, all
the year round.

Nobody could find fault with President Wilson for dropping Secretary of War Baker forthwith from his Cabinet. Mr. Baker has demonstrated so thoroughly his unfitness for the office he holds that Mr. Wilson would embarrass the country immeasurably by retaining him. Psychological analysis such as was offered in an attempt to lessen the curse of the "too proud to fight" phrase balked at the job of defending Baker's insult in likening our Revolutionary patriots to Mexican cut-throats.

It is good to hear that Mr. Baker will not be reappointed in any case, but why should he not be drummed out of office now instead of on March 4? And why not make Josephine Daniels walk the plank without delay? He has refrained from defaming the men of '76, but he is as great an incubus to the navy as Baker is to the army. This pair of precious incompetents should be thrown into the waste basket together.

It is true that in view of Secretary Garrison's experience and the chaos wrought in the war and Navy departments by Baker and

AN ACT OF KINDNESS

A Maysville Resident Speaks Publicly for the Benefit of Maysville People.

If you had suffered tortures from kidney trouble,

and experienced with different remedies without relief;

If you were finally cured through a friend's suggestion—

Wouldn't you be grateful?

The following statement has been given under just such circumstances: Mr. Gallenstein has used Doan's Kidney Pills.

He publicly tells of the benefit he has received.

His simple act of kindness to other Maysville sufferers.

No need to experiment with such convincing evidence at hand.

Mr. Gallenstein speaks from experience.

You can rely on what he tells you.

Henry Gallenstein, blacksmith, Poplar St., Maysville, says: "Doan's Kidney Pills are the best of kidney medicines. I have used different kinds and no other has ever equalled this one."

When my kidneys were out of order and I had pain in my back, I used Doan's Kidney Pills. They stopped the pains and strengthened my kidneys. The cure has been permanent."

THOMPSON TO HEAD DRYS IN CAMPAIGN TO CLOSE CHICAGO'S SALOONS IN 1918

Chicago, Ill., November 27—Mayor Thompson today cast the die which is to change his entire political future, when he came out in the open as the leader of the drys.

The big anti-liquor movement, which is getting under way, and which is focused on 1918, when the drys will make their big drive to close saloons in Chicago, is to be headed by Mayor Thompson.

This change, which the Mayor has been studying out for himself, may have earlier effects and alter the complexion of the City Government as it relates to the liquor interests. Incidentally, 1918 is the year when the people of Illinois will choose a United States Senator in the place now held by Senator James Hamilton Lewis.

HERT TELLS REPUBLICANS THEY SHOULD ANNOUNCE FOR PROHIBITION

Louisville, Ky., November 27—National Committeeman Alvin T. Hert, issued a statement tonight urging the Republicans of Kentucky to adopt without delay a firm stand with regard to the adoption of a constitutional amendment prohibiting the manufacture or sale of intoxicating liquors in Kentucky.

Mr. Hert declares that the activity of the liquor interests in politics, with its consequent effect upon affairs of the people, has become unbearable. The progress and welfare of the commonwealth, he adds, require that the participation of the liquor interests in Kentucky politics shall cease.

The surest way to accomplish this result, according to Mr. Hert's analysis of the situation, "is to adopt state-wide prohibition." According to his statement he sees no other remedy. He makes the recommendation that the Republican party in the state at its earliest opportunity espouse the cause of prohibition and work for the submission of the amendment at the earliest date consistent with the legal requirements.

DYESTUFFS BROUGHT OVER BY DEUTSCHLAND SAID TO BE GOING A-BEGGING AS RESULT OF AMERICAN EXPERIMENTS

Bridgeport, Conn., November 27—America has cast off dependency upon Germany for dyestuffs, with the result that half the Deutschland's first consignment still lies unsold in Baltimore warehouses, according to an expert connected with one of the largest dye manufacturing concerns in the country.

With the expiration of some German patents several months, according to this authority, American concerns had free rein in experimenting, and a base product as good as that for which many now is being sold at \$1.60 a pound. The stuff brought over by the Deutschland on its first trip was selling for \$4.60 a pound when a market could be obtained.

We are thankful for the peace and prosperity that has been this nation's. We are thankful that our sons, brothers and sweet hearts are still with us. We are thankful that we have enough and to spare of life's necessities; and we are thankful that we can, in a small measure alleviate the suffering of our sisters and brothers across the sea.

For our personal blessings we give thanks; for the measure of prosperity that has been ours; for freedom of thought and action; for the many advantages that we enjoy.

Our business has shown a decided progress and growth during the past year, and we are thankful that, although there has been a shortage of various materials, we have been able to serve our patrons with dependable merchandise of known worth.

MR. CLARENCE NUGENT

Of Louisville Addressed the City Association of Sunday Schools in a Meeting in the Third Street M. E. Church Last Evening.

The city Sunday School Association held a meeting last evening in the Third Street M. E. Church for the purpose of holding the annual election of officers. A very interesting meeting was held and a large crowd of Sunday School workers present.

Mr. Clarence Nugent of Louisville, one of the State Sunday School Workers, was present and gave a very interesting address, "Seven Sunday School Symptoms." In these symptoms Mr. Nugent outlined the faults and the glories of Sunday Schools and told wherein most of them are weak. He urged that all Sunday School teachers and leaders to be especially consecrated in their work, as they went as models before their scholars. He told very many interesting anecdotes of Sunday School work.

Miss Mary E. Wilson of this city gave a report before the meeting of the state convention at Somerset, and of her fight to bring the convention to Maysville for next year. Her report of the convention was very interesting in relating of the fight to bring the convention to Maysville next year, she told many amusing instances connected with the successful attempt and the final triumph over the Ashland people, who were also very desirous of obtaining the convention.

The following officers were elected for the ensuing year:
President—Mr. Frank Nash.
Vice President—Mr. J. T. Kackley.
Secretary—Miss Almida Huff.

AMERICAN STEAMER, TORPEDOED BY GERMAN U-BOAT, SINKS WITH STARS AND STRIPES FLYING

Paris, November 28, (Censored).—A Madrid dispatch by wireless announces the arrival at — of the crew of the American steamer Chemung, torpedoed in — by a German submarine. The commander gave the crew only a few minutes to abandon the vessel, not allowing them even to take their money and papers.

The submarine towed the lifeboat in which the crew were placed to within five miles of the coast where it abandoned them.

The Chemung went down with the Stars and Stripes flying, at her mast. A lively incident preceded the sinking of the vessel. The German commander gave orders that the American flag should be lowered and German sailors prepared to put them in to effect. They met with stubborn resistance on the part of the American captain Duffy and his crew, who refused to haul down the colors, saying that if the ship had to be sunk, it would be with the flag flying.

Captain Duffy maintained his ground, and so rapidly were the preparations to sink the Chemung made, that further discussion about the flag ceased and after the captain and crew had been taken aboard the submarine a torpedo and three shells sent against the side of the American ship, put her to the bottom.

Although angry at the action of the German commander, Captain Duffy and his men had some measure of satisfaction in seeing the flag at the masthead as the waves finally engulfed their ship.

The Chemung was registered at New York and carried a crew of twenty-four. They found a place in two life boats and after a time on the open sea, were picked up by a Spanish steamer, which took them to Valencia. Captain Duffy has made a long report of the incident to the American consul at Valencia, John R. Putnam.
